## League Sanction / Policy Agreement

*The signing of this agreement does not confer to a local league any exclusive rights or franchised territory by the ACS.*

### I. League Sanctioning Deadline

League Operators are required to mail in the completed ACS sanctioning agreements with fees and roster sheets (see League Operator Instructions) by no later than the fifth week of play of the league's first sanctioned session. League sanction work mailed after the fifth week of the first session could result in no credit for participation to league players before the date sent. After initial sanctioning, league operators are required to submit four weeks of standings sheets displaying individual performance along with new player info and fees every month of play thereafter.

### II. Minimum Participation Requirements

To qualify for ACS National Championships in any division, a league player member must compete in a minimum of eight (8) full regularly scheduled matches over a minimum eight (8) weeks during one sanctioned session. Examples: If the local format insures a player plays four games/match, the player must have played 32 games (8 x 4) over a minimum of eight matches played over a minimum eight week period during one sanctioned session.

### III. Minimum Team Structure Requirements

All teams at ACS National and Midwest Championships may be composed of any players within your state who have met the minimum participation requirements in item II. above. There is no longer a "core-player minimum" !

### IV. Player Not in Good Standing

Please apprise the ACS in writing (email acceptable) of any league player who is no longer in good standing within your local league.

### V. Issues with Dual-Sanctioning

A league sanctioned with another national league association may sanction with the ACS (dual sanctioning) as long as its intention is not to undermine the ACS national league-sanctioning body. Leagues may request a written "dual-sanction" application, and the application will be reviewed on a case-by-case basis by the ACS staff. A league must have a signed approval agreement allowing "dual-sanctioning" before it sends in its initial sanctioning work and fees. The ACS administration will only approve dual sanctioning of a local league if it deems the dual sanctioning is offered solely for the purpose of offering its players extra benefits and not for the purpose of undermining an existing ACS-sanctioned league within its area of administration.

### VI. Protection of Nights

If a new or pre-existing ACS league chooses to move or expand play on nights of the week in which another ACS league in the same area has traditionally played, the ACS will exercise its best efforts to diffuse the competitive situation - usually protecting the night of play of the league that had it first.

### VII. Rules of Play

ACS recognizes the world-standardized rules of play as published by the world-governing body for the sport - the World Pool-Billiard Association. It is recommended that ACS-sanctioned leagues use WPA rules, but the local league is not required to do so.

### Acknowledgment & Responsibility Agreement

I have read the above policies, and I do agree to adhere to the rules and standards set forth in this application and in the ACS League Operator manual. To the best of my ability, I shall enforce these guidelines with the participants in my league. I understand that I am totally responsible for the fulfillment of all my league's obligations. Such obligations include but are not limited to advertising, schedules of play, amounts of awards and prize monies, updating and posting weekly standings sheets, fulfilling sanction obligations to the ACS on a monthly basis, overseeing the safety and security of league funds, notifying league participants of any material changes in the league, and generally fulfilling all obligations and responsibilities attendant thereto.

I further recognize that all costs for the league are the full and exclusive responsibility of myself and the signed officers below. I specifically indemnify and hold harmless American CueSports Alliance (ACS), headquartered in Grand Prairie, Texas, and their employees and directors, of any responsibilities, costs and attorney fees, or obligations attendant to the administration of this billiard league.
